Welcome to my Wedding Brochure for September 2026 to September 2027. I am Sarah have been an independent civil celebrant for several years, crafting bespoke, heartfelt ceremonies filled with warmth, sincerity, and gentle storytelling.

Proudly serving couples across Berkshire, Wiltshire, Dorset, Surrey, West Sussex, and my home county of Hampshire. Whether your celebration is set in rolling countryside, a historic manor, a woodland clearing, or a coastal venue, I bring calm guidance, creativity, and a deeply personal approach to every ceremony, I adore my role and feel absolutely privileged every time.

Within these pages, you'll find my ceremony packages, from the simplicity and elegance of Simply Yours, to the deeper, more detailed storytelling of Cherished, and the fully bespoke experience offered in Signature. You'll also find options for Vow Renewals and my gentle, meaningful Companion Ceremony.

Wherever your love story leads you, I'm honoured to help you create a ceremony that feels authentic, heartfelt, and unmistakably yours.

"The ceremony was everything we wanted and more. Sarah did an amazing job, so supportive, calm, and full of heart.

"Me and my new wife Kim would like say a massive thank you to Sarah for her professionalism, she is absolutely brilliant to work with and she she stepped in at the last minute like a week before our wedding, and we both said how she saved our big day which was a very stressful time and she took all of that away"
